

LE CHANG

SENIOR CONSULTANT

Le is a Senior Consultant at OmniTax Professionals, specialising in corporate taxation. With professional tax experience at a Big 4 firm and an ASX-listed company, developing strong technical capability across both advisory and compliance.

Her core expertise includes corporate income tax compliance, tax effect accounting, fringe benefits tax, due diligence and post-transaction integration. She also brings valuable commercial insights from her in-house experience, particularly in relation to intra-group transactions and fixed asset management, supported by strong commercial and financial analysis skills.
